AMUEE Admission Process 2022

- **Online application** – Candidates fill and submit the application form for the AMU entrance exam in online mode at the official website of amucontrollerexams.com. The candidates also need to pay the application fee as per their courses.
- **Issuing admit card** – AMU will issue admit cards to candidates who registered and submitted the application form before the last date successfully. The admit card of AMUEE will mention details about the examination, candidates and the allotted test centre name and location.
- **Appearing for the test** – Candidates have to appear for the examination at the allotted test centre as per the examination schedule.
- **Announcement of results** – The University will declare the results of the AMU entrance exam for each course separately. The results will be available in the form of a merit list of qualified candidates as well as waitlisted candidates.
- **Counseling process** – AMU will conduct the counseling process of each course based on merit lists and waitlists. The candidates fulfilling eligibility criteria, qualifying criteria and other requirements will be allotted seats.

AMUEE 2022 Pattern

The exam pattern of the [AMU entrance exam](#) differs from course to course. Although, all the admission tests and the departmental admission tests will be held in offline mode only. Candidates have to take the exams in OMR sheets. The medium of all tests will be English, except where a question paper is set in a language other than English.

Negative Marking: Incorrect answers will result in a negative score of 25 per cent of the marks allotted to the question. For example, if the correct answer to a question would get the candidate one mark, the incorrect answer would deduct 0.25 marks. However, the rule of negative marking will not be applicable in the admission tests of PhD and vocational courses under Community College.

AMUEE 2022 Admit Card

Aligarh Muslim University releases the admit card for the entrance exam to be held across the nation for admission to various courses. The admit cards are made available under the login of the candidates over the official website.

AMU issues admit card to appear in the admission / departmental test only to those candidates whose application form, complete in all respects, has been submitted successfully on the Controller's website on or before the last date of filling.

Candidates will also have to paste their recent passport size color photograph in the space provided on the hard copy of admit card. The photo must be the same as the one affixed on the application form (online). Via the admit card candidates will be allotted their exam centre with its detailed address and name.

In case there are errors in the admit card: The candidate should immediately contact the concerned application form handling office in case of any discrepancy in the admit card otherwise applicant can face problem on the exam centre.
